### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Matthew Jenkins on May 10, 2007.

The application has been amended as follows:

Claims 102 and 111 have been canceled in their entirety.

In Claim 101: The term "rain or debris." has been replaced with—

rain or debris;

enabling a user to substantially simultaneously store said flexible material and

said at least one weight at a storage area away from said at least one baseball area;

enabling said user to substantially simultaneously hand deliver said flexible

material and said at least one weight to said at least one baseball area;

sewing or adapting said flexible material to provide a weight-receiving area in at least a

portion of a perimeter of said weighted baseball area cover; causing said at least one

weight to be situated in said weight receiving area; and causing said at least one weight

to be retained in said weight-receiving area. —

Art Unit: 3711

In Claim 106: The term "in said flexible material." has been replaced with—  
in an entire surrounding perimeter of said flexible material. —

In Claims 109 and 110: The term "define a weight-receiving." has been replaced with—  
define said weight-receiving. —

In Claims 112,113 and 126: The term "claim 111" has been replaced with—  
claim 101 —

In Claim 120: The term "claim 119" has been replaced with—  
claim 101 —

### *Reasons for Allowance*

The prior art does not show or suggest a method of protecting a baseball playing field area by utilizing a weighted baseball area cover of flexible material and having at least one weight in at least a portion of the perimeter of the cover addition to the other elements of the structure claimed.
